

Driving Asia's Electric Mobility Revolution

9th September 2026
PHD House, New Delhi

**World
EV Day**

Jointly Organised By :

Knowledge Partner

EVENT OVERVIEW

EVTECH ASIA 2026 will bring together Government policymakers, EV manufacturers, battery innovators, charging infrastructure providers, fleet operators, investors, technology developers, and industry experts from across Asia to discuss the future of electric mobility, battery advancements, charging ecosystems and future sustainable transportation.

The Summit aims to create a platform for knowledge exchange, strategic partnerships, business networking, investment opportunities, and technology showcasing.

CONFERENCE KEY OBJECTIVES

- Accelerate EV adoption across Asia
- Showcase latest battery and charging technologies
- Discuss government policies and incentives
- Promote localization and supply chain development
- Enable partnerships between OEMs, suppliers, and investors
- Explore opportunities in commercial EVs and fleet electrification
- Address battery recycling and sustainability challenges
- Encourage innovation and startup participation

DETAILED CONFERENCE AGENDA

- World EV Day Keynote Address
- Session 1: New Era of EV Technologies
- Session 2: Future of Battery Technology
- CEO Leadership Panel
- Session 3: Charging Infrastructure & Energy Management
- Session 4: Commercial EV & Fleet Transformation
- Investment & Policy Leadership Panel
- EVTECH ASIA Leadership Awards

SESSION TOPICS

SESSION 1 - NEW ERA OF EV TECHNOLOGIES

Topics

- Next-generation electric powertrains
- Vehicle software and AI integration
- Connected and autonomous EV technologies
- Lightweight materials for EV efficiency
- Smart manufacturing and Industry 4.0

Why Should Attend ?

- Learn future vehicle technology trends
- Understand OEM technology roadmaps
- Meet R&D and innovation leaders
- Discover new business opportunities
- Connected and autonomous EV technologies
- Lightweight materials for EV efficiency
- Smart manufacturing and Industry 4.0

SESSION 2 - BATTERY TECHNOLOGY & ENERGY STORAGE REVOLUTION

Topics

- Solid-state batteries
- Sodium-ion batteries
- Battery swapping technologies
- Fast charging innovations
- Battery thermal management
- Battery recycling and second-life applications
- Gigafactory development across Asia

Why Should Attend ?

- Gain insights into future battery chemistry
- Understand battery cost reduction strategies
- Explore supply chain opportunities
- Learn about recycling regulations and ESG requirements

CEO Leadership Panel

(Building Asia's EV Manufacturing Ecosystem)

Topics

- Localization of EV components
- Supply chain resilience
- Manufacturing competitiveness
- Global partnerships
- Export opportunities

Why Should Attend ?

- Hear directly from industry decision-makers
- Understand market expansion opportunities
- Build strategic partnerships

SESSION 3 - CHARGING INFRASTRUCTURE & SMART ENERGY NETWORKS

Topics

- Ultra-fast charging technologies
- Public charging deployment strategies
- Smart grids and renewable energy integration
- Vehicle-to-Grid (V2G)
- Fleet charging solutions
- Interoperability standards

Why Should Attend ?

- Learn future charging business models
- Meet charging infrastructure providers
- Understand government support programs

SESSION 4 - COMMERCIAL EV & FLEET ELECTRIFICATION

Topics

- Electric buses
- Electric trucks and logistics
- Fleet electrification strategies
- Battery leasing models
- Last-mile delivery solutions
- Total Cost of Ownership (TCO)

Why Should Attend ?

- Learn how fleet operators are reducing costs
- Understand ROI and financing models
- Connect with commercial vehicle buyers

POLICY & INVESTMENT LEADERSHIP PANEL

THEME: ACCELERATING ASIA'S TRANSITION TOWARDS NET-ZERO MOBILITY

Topics

- EV policy frameworks
- Incentives and subsidies
- Carbon neutrality targets
- Investment opportunities
- Startup ecosystem development
- International collaboration

Why Should Attend ?

- Understand future regulations
- Meet investors and policymakers
- Identify emerging growth markets

WHO SHOULD ATTEND

VEHICLE MANUFACTURERS

- CEOs
- Managing Directors
- CTOs & CXOs
- Plant Heads
- R&D Directors

COMMERCIAL VEHICLE SECTOR

- Bus & Truck Operators
- Logistics Companies
- Fleet Owners
- Public Transport Authorities

GOVERNMENT & REGULATORY BODIES

- Transport Departments
- Vehicle Accreditation Institutes
- Smart City Missions
- Municipal Authorities

TECHNOLOGY & STARTUPS

- AI & Software Providers
- Telematics Companies
- Mobility Platforms
- EV Startups

AUTO COMPONENTS MANUFACTURERS

BATTERY SECTOR

- Battery Manufacturers
- Cell Manufacturers
- BMS Developers
- Battery Pack Integrators

CHARGING INFRASTRUCTURE LEADERS

- Charging Network Operators
- Utilities
- Renewable Energy Companies
- Energy Storage Providers

TECHNOLOGY & STARTUPS

- AI & Software Providers
- Telematics Companies
- Mobility Platforms
- EV Startups

TECHNOLOGY & STARTUPS

- Investors
- Venture Capital & Private Equity Funds
- Banks
- Leasing Companies
- Insurance Providers

WHY ATTEND EVTECH ASIA 2026?

FOR OEMs

- Access future technologies
- Identify suppliers and partners
- Gain market intelligence

FOR FLEET OPERATORS

- Learn cost optimization strategies
- Meet vehicle manufacturers
- Explore financing models

FOR GOVERNMENT AGENCIES

- Learn global best practices
- Accelerate policy implementation
- Encourage industry collaboration

FOR BATTERY & CHARGING COMPANIES

- Showcase innovations
- Connect with OEM buyers
- Understand future demand

FOR INVESTORS

- Discover high-growth sectors
- Meet emerging startups
- Access industry leaders

EXPECTED OUTCOMES

- 300+ Industry Delegates
- 50+ Industry Speakers
- 20+ Government Representatives
- 30+ Technology Partners
- State & Countries Participation
- B2B Meetings
- Strategic Partnerships & MoUs
- World EV Day Awards

**EVTECH ASIA
AWARDS
2026**

PARTNERSHIP OPPORTUNITY

Title Partner

- Exclusive "Presented by" branding
- Logo on stage backdrop
- Opening keynote opportunity (15 minutes)
- CEO featured in inaugural session
- Welcome address opportunity
- Booth Display - 4 Sq M
- Award & Recognition
- Felicitation of Award by Senior Management
- Branding inside conference, Registration Area - LED display (3X6)*
- Logo Branding on conference materials, delegate badges, marketing materials, website & registration page
- Delegate Kit Presence
- 10 Delegate passes
- 1 minute Marketing AV between the breaks - Backwall
- One-to-one B2B meeting support
- Panel discussion participation
- Social media promotion
- CEO Interview on www.theautomonitor.com

Cost : INR 10 Lakhs

Platinum Partner

- Logo on all conference branding
- Logo on stage backdrop
- Keynote Speaker opportunity (10 Minutes)
- Booth Display - 4 Sq M
- Award & Recognition
- Felicitation of Award by Senior Management
- Branding within conference area - STANDEE (3 X 6)
- Logo Branding on conference materials, all marketing materials, website & registration page
- Delegate Kit Presence
- 5 Delegate passes
- 1 minute Marketing AV between the breaks - Backwall
- One-to-one B2B meeting support
- Panel discussion participation
- Social media promotion
- CEO Interview on www.theautomonitor.com

Cost : INR 5 Lakhs

Powered By

- Exclusive "POWERED by" branding
- Logo on all conference branding
- Logo on stage backdrop
- Keynote Speaker opportunity (10 Minutes)
- CEO featured in inaugural session
- Booth Display - 4 Sq M
- Award & Recognition
- Felicitation of Award by Senior Management
- Branding inside conference - LED display (3X6)*
- Branding in Registration Area - LED display (3X6)*
- Logo Branding on conference materials, delegate badges, marketing materials, website & registration page
- Delegate Kit Presence
- 10 Delegate passes
- 1 minute Marketing AV between the breaks - Backwall
- One-to-one B2B meeting support
- Panel discussion participation
- Social media promotion
- CEO Interview on www.theautomonitor.com

Cost : INR 7 Lakhs

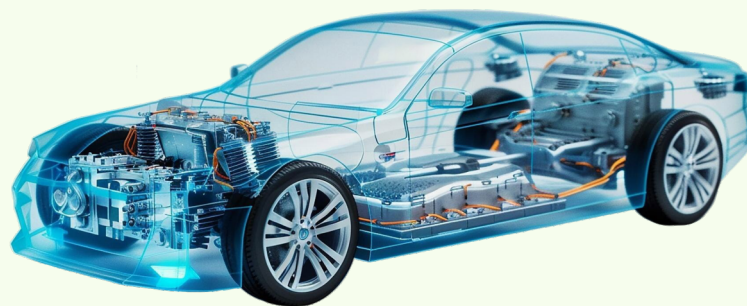

Gold Partner

- Logo on all conference branding
- Logo on stage backdrop
- Keynote Speaker opportunity (10 Minutes)
- Booth Display - 4 Sq M
- Award & Recognition
- Felicitation of Award by Senior Management
- Branding within conference area - STANDEE (3 X 6)
- Logo Branding on conference materials, all marketing materials, website & registration page
- Delegate Kit Presence
- 5 Delegate passes
- 1 minute Marketing AV between the breaks - Backwall
- Panel discussion participation
- Social media promotion
- CEO Interview on www.theautomonitor.com

Cost : INR 3 Lakhs

Silver Partner

- Logo on all conference branding
- Logo on stage backdrop
- Keynote Speaker opportunity (10 Minutes)
- Booth Display - 4 Sq M
- Award & Recognition
- Branding within conference area - STANDEE (3 X 6)
- Logo Branding on conference materials, all marketing materials, website & registration page
- 3 Delegate passes
- Panel discussion participation
- Social media promotion
- CEO Interview on www.theautomonitor.com

Cost : INR 1 Lakh

Registration Partner

- Keynote Speaker opportunity (10 Minutes)
- Booth Display - 4 Sq M
- Award & Recognition
- Brand in Registration Area - LED display (3X6)*
- Logo Branding on conference materials
- Logo Branding on delegate badges
- Logo Branding on Lanyard
- Logo Branding on Registration Page
- Logo Branding on all marketing materials
- Logo Branding on website & registration page
- 2 Delegate passes
- Panel discussion participation
- Social media promotion
- CEO Interview on www.theautomonitor.com

Cost: INR 3 Lakhs

Networking Dinner Partner

- Logo on all conference branding
- Logo on stage backdrop
- Booth Display - 4 Sq M
- Award & Recognition
- Felicitation of Award by Senior Management
- Branding inside conference - LED display (3X6)*
- Branding within conference area - STANDEE (3 X 6)
- Branding at Dinner Area
- Logo Branding on conference materials
- Logo Branding on all marketing materials
- 5 Delegate passes
- Panel discussion participation
- Social media promotion
- CEO Interview on www.theautomonitor.com

Cost: INR 3 Lakhs
